Great party game 8/10. Great party game. A must buy.. Very fun and easy-to-learn party game to play with your best buddies. The ability to think outside the box helps a lot.. It is a great game! I love playing this with family.. 0/10 only LAN. A great game

to play when you're having a few drinks with your better half and/or friends. It does get old (but what party game doesn't?). Just shelve it for a month or two and it'll be awesome again.. Great game to play with friends and family. Even parents. The game gets more fun and difficult the more players playing at a time (up to 8) The game also gets more fun the more drunk you and your friends are. 11/10 would lie and myself again.
